

Crane Outrigger Pads 150mm x 1m x 3m Hardwood Mats

Our 150mm x 1m x 3m Hardwood mats are ideally used for crane outriggers to form a stable base. Manufactured with two lifting points enabling the mat to be easily lifted into place.

Approximate weight 460kg.

Usage of crane outrigger pads is the responsibility of the crane operator.

All timbers are purchased from legal sustainable sources.
